

**Workshop on
diagnostic issues in atypical dementias**

Brescia May 5th-6th, 2011

Sede del Congresso: Museo Santa Giulia Brescia

Comitato scientifico

Barbara Borroni

Carlo Caltagirone

Monica Di Luca

Alessandro Padovani

Comitato Organizzatore

Antonella Alberici

Alessia Lanari

May 5th 2011 (Thursday)

14.30-15.00 **Registration**

15.00-15.30 **Introduction**

Alessandro Padovani (Brescia)

15.30-16.30 **Opening Lecture**

Intoduction: Carlo Caltagirone (Roma)

Untangling Tau pathology in Frontotemporal Lobar Degeneration and related disorders.

Maria Grazia Spillantini, University of Cambridge, UK

16.30. Corticobasal Degeneration session

Chairmen Claudio Mariani (Milan) and Sandro Sorbi (Firenze)

16.30-17.15 **Lecture. Is the pathology of Corticobasal Syndrome predictable in life?.** Thomas Back, University of Edinburgh, UK

17.15-17.30 *Coffee Break*

17.30-18.00 **Diagnostic issues in Corticobasal Syndrome.** Giovanni Abruzzese (Genova)

18.00-18.30 **Apraxia in Corticobasal Syndrome.** Paolo Nichelli (Modena)

20.00 *Cena*

May 6th 2011 (Friday)

9.00 Progressive Supranuclear Palsy session

Chairpersons Monica DiLuca (Milan) and Calabresi Paolo (Perugia)

9.15-10.00 **Lecture. Beyond tau: Novel genomewide associations and pathways in Progressive Supranuclear Palsy.** Rohan De Silva, UCL, London, UK

10.00-10.30 **Clinical aspects of Progressive Supranuclear Palsy.** Carlo Colosimo (Roma)

10.30-11.00 **Diagnostic and neuroimaging features of Progressive Supranuclear Palsy.** Mario Zappia (Catania)

11.00-11.15 *Coffee Break*

11.15 Frontotemporal Dementia Session

Chairmen Vincenzo Silani (Milano) and Massimo Gennarelli (Brescia)

11.15-12.00 **Lecture. Genotype-phenotype correlations in hereditary Frontotemporal Dementia.** John vanSwieten, Erasmus, Rotterdam, The Netherlands

12.00-12.30 **Medical prospects of TDP-43 and FUS pathology for FTLD and ALS.** Emanuele Buratti (Trieste)

12.30-13.00 **Genetic contributors to Frontotemporal Dementia: beyond monogenic disease.** Elio Scarpini (Milano)

13.00-14.00 *Lunch*

Chairmen Gioacchino Tedeschi (Napoli) and Giovanni Frisoni (Brescia)

14.00-14.30 **Biological markers in Frontotemporal Dementia.** Lucilla Parnetti (Perugia)

14.30-15.00 **Molecular and structural imaging in Frontotemporal Dementia.** Daniela Perani (Milano)

15.00-15.30 **Do we have treatment options in Frontotemporal Dementia?** Alessandro Padovani (Brescia)

15.30-15.45 *Coffee Break*

15.45 Lewy Body Dementia session

Chairmen PierFranco Spano (Brescia) and Dario Grossi (Napoli)

15.45-16.30 **Lecture. Dementia with Lewy Bodies vs. Parkinson's disease: progression of Lewy pathology.** Maria Trinidad Herrero, Murcia, Spain.

16.30-17.00 **Clinical aspects of Dementia with Lewy Bodies.** Marco Onofri (Chieti)

17.00-17.30 **Advanced Neuroimaging Techniques in Dementia with Lewy Bodies.** Marco Bozzali (Roma)

17.30-17.45 **Conclusions**

Alessandro Padovani (Brescia) and Barbara Borroni (Brescia)

18.00-19.00 Visita guidata al Monastero Santa Giulia

20.00 *Cena relatori*
