Professor Angela Schulz

University Medical Center,
Hamburg, Germany

Professor Paul Gissen

Great Ormond Street Hospital (GOSH),
London, United Kingdom

Professor Nicola Specchio

Ospedale Pediatrico Bambino Gesù,
Rome, Italy

Thursday 10 September 2020
14:00 - 15:30 BST (UK)
15:00 - 16:30 CEST (Central Europe)

This webinar will be recorded for on-demand purposes.

Why should I attend?

In this webinar Professors Schulz, Gissen and Specchio will discuss:

- 🔗 The importance of early/urgent diagnosis of CLN2 disease among early-onset epilepsies due to rapid disease progression
- 🔗 Identifying the early signs and symptoms of CLN2 disease
- 🔗 Clinical presentation of CLN2 disease
- 🔗 Case studies to demonstrate the progression of CLN2 disease and the importance of early diagnosis and use of the clinical rating scale
